Re: \$10 Gift

On Wednesday, October 9, 2013, during a community meeting, Ms Sharon Burns, a resident of the 28th Ward, handed me an envelope and told me it was a thank you card. During the community meeting I opened the envelope and it was indeed a thank you card. The card contained a single \$10 bill.

I expressed my intentions to give back the \$10 to Ms. Burns. Ms. Burns left the meeting before I had the opportunity to return the money to her.

On October 10, 2013, I mailed the \$10 gift to Ms. Sharon Burns of 3826 W. Jackson Blvd, Chicago, IL 60624.
